TOYS**

2024 Winter Toy REVIEW

'Tis the Season for Holiday Toys!

Check out some of this year's best toys reviewed by local families.

Plundering Times
\$36; 8+
SimplyFun.com

Lead dragon pirates on an adventure while strengthening multiplication and addition skills and developing memory in this fun, educational game. "I like the gems and treasure chests!" says Martin, age 9.

Carrera FIRST Batwheels:
Time for Action
\$39.99; 3+
Carrera-Revell-Toys.com

Race Bam and Redbird from the TV series "Batwheels" with this beginner slot car race track. Stay on the track with electronically regulated speed controllers that allow nonstop, head-to-head action. "My husband and daughter (4) love racing each other!" says mom Britany. Requires C batteries.

Pop-Up Ball Pit
\$24.99; 9+ mos.
Infantino.com

This cheerful fun zone for little explorers encourages motor skills development in a playful setting. Measuring 35" in diameter, the ball pit folds and unfolds in seconds, making it perfect for indoor playtime, outdoor adventures and on-the-go fun. Includes 50 colorful balls and storage bag.

Carrom Multi-Game Board
\$130; 6+
Carrom.com

Do we have a game board for you! This handcrafted, two-sided, wooden carrom board features dozens of games, such as checkers, carrom, backgammon, shuffleboard and crokinole, offering hours of unplugged entertainment for 2-4 players. Have fun while learning strategy and improving focus.

Musical Color Bug
\$21.99; 2+
Crayola.com

Simply load two of the washable markers into Color Bug's antennae, choose music mode and upbeat songs will play! Helps kids learn cause and effect, improve coordination and enhance gross motor skills. Music continues as kids color; when coloring stops, so does the music.

Find more baby products and toys in the new edition of *San Diego Babies and Toddlers* at www.sandiegofamily.com/parenting/baby.

Disney Princess Remote Control Carriage
\$49.88; 4+
Walmart.com

Finally, an RC vehicle elegant enough for princesses! Place your favorite dolls in this beautifully designed carriage that travels forward, backward and in circles. Easy to operate indoors and out. Doll not included.

Bionic Robotic Arm
\$54.95; 10+
ThamesAndKosmos.com

Young engineers will love assembling a mechanical arm with almost 300 plastic pieces as they discover how each part works together. Once built, control the arm with joysticks that enable precise movements, much like tendons control real arm muscles. No motor or electricity needed.

Bluey 3-in-1 Airplane Playset
\$59.99; 3+
Target.com

Young imaginations take flight with Bluey's awesome airplane that transforms into a boat and a resort (expandable to 27"). Includes Bluey and Bingo figures, accessories and 25 phrases and sounds that inspire endless adventures. "A fun addition to our other Bluey playsets," says mom Samantha.

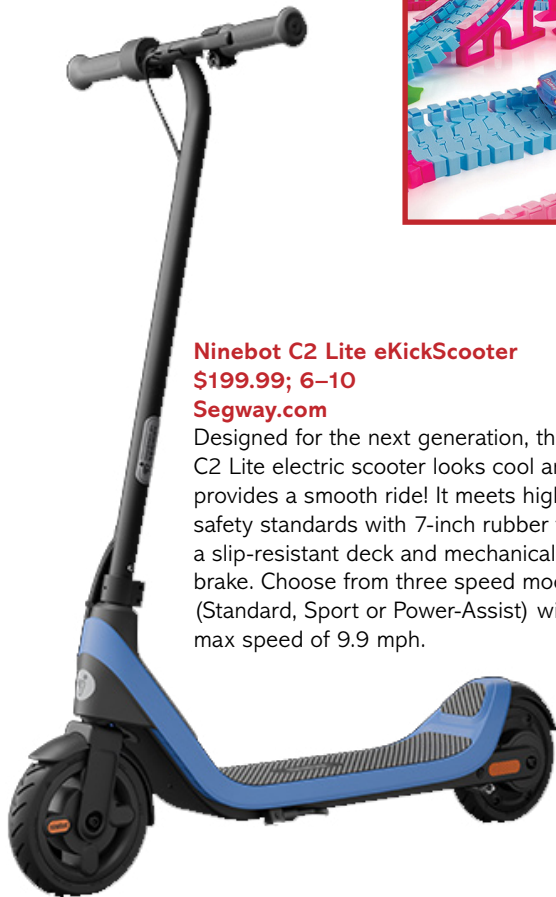

Ravensburger GraviTrax Star Wars Death Star Action Set
\$79.99; 8+
Target.com

Calling all Star Wars fanatics, young and old! Create an intergalactic marble run of epic proportions with this awesome set that inspires creativity while navigating a battle between the Galactic Empire and the Rebel Alliance. Over 200 GraviTrax pieces feature Star Wars designs, details and fighter figures.

Pink Paradise Adventure Tracks
\$49.99; 3+
USAtoyz.com

Construct a race track with 200 colorful, flexible snap tracks and components like a windmill, bridge, billboards, secret door and more. Encourages creativity, fine motor skills and problem-solving. "There were lots of giggles as my kids (ages 3, 6 and 9) raced the cars around the track and crashed into each other," says mom Jennifer.

Ninebot C2 Lite eKickScooter
\$199.99; 6-10
Segway.com

Designed for the next generation, the C2 Lite electric scooter looks cool and provides a smooth ride! It meets high safety standards with 7-inch rubber tires, a slip-resistant deck and mechanical hand brake. Choose from three speed modes (Standard, Sport or Power-Assist) with a max speed of 9.9 mph.

Zypster
\$229; 3-6
Droyd.com

A mini electric go-kart designed for little ones! The ride-on has a steel frame and plastic body with adjustable seat and steering column. Safety features include smooth-launch pedal, safety flag, LED lights and speed control (use key to lock at 3 mph or 6 mph). Available in teal or pink.

Disney Junior Minnie Mouse Bowdazzling Yacht Playset
\$27.99; 3+

Target.com

Take Minnie Mouse, Daisy Duck and Snowpuff on a fun yachting adventure! Fill the deck pool with cold water—characters change color when dipped. Open yacht to reveal a dance floor and hammock. Button activates phrases, pool lights and disco ball. Includes an adorable juice bar, slide, wave rider and more.

World of Eric Carle: Quiz It 4-Book Set and Smart Pen
\$29.99; 3+

Walmart.com

Children engage in preschool concepts like letters, numbers, colors, shapes, Spanish words and animals and use the Quiz It Pen to answer questions.

Robotics: Smart Machines-Junior
\$69.95; 8+

ThamesandKosmos.com

Discover the world of robotics with this fun, customizable STEM kit! Download the free app to unlock all of Junior's capabilities. "My 9-year-old son assembled it all without help," says mom Jennifer. "It was good practice following directions and problem-solving."

Ready for Takeoff! Adventure Helicopter
\$59.99; 3-8 yrs.

LakeshoreLearning.com

This high-quality helicopter is designed for hours of imaginative play! Features include a sliding door, rear cargo door, fold-up tool bench, rescue line and basket, hovercraft, three figures that can snap into seats and more.

Connetix Transport Pack
\$85; 3+

Connetixtiles.com

As if colorful, see-through, magnetic tiles aren't cool enough, this transport set is designed to inspire and engage young builders with endless design possibilities. Includes a train base and two car bases, a variety of magnetic tile shapes and an idea book. Rainbow or pastel.

Easy Carry Art Studio Micador jr.
\$49.50; 3+

Micador.com.au

A lightweight carrying case that conveniently converts to a desk easel, with art materials stored inside. Includes watercolors, paintbrushes, blackboard, chalk, whiteboard, markers and more. "Everything fits neatly and is very organized," says mom Jennifer.

Gabby's Dollhouse Dough House
\$29.70; 3+
Amazon.com

Gabby fans have a blast with this easy-to-carry playset that includes all the dough, tools and accessories needed to sculpt, mold and shape characters, decorations and more. Everything fits neatly inside the house for easy clean-up.

Paw Patrol My First Instant Camera
\$69.99; 4+
Amazon.com

This 3-in-1 device includes a digital camera, instant printer and video camera. Thermal printing means no ink or film needed. Add fun Paw Patrol filters or frames to photos, and decorate with included markers and stickers.

Smart Ball Soccer Bot
Indoor Trainer
\$59.99; 6+
Walmart.com

Indoor skill building meets smart technology for kids of all levels. Players try to beat the bot as they set personal records and complete challenges. Switch modes for tougher surfaces like carpet. Bot keeps track of high scores!

Crazy Cart
Shuffle
\$119; 4+
Razor.com

This super fun self-propelled go-kart allows kids to drive, drift, spin or go backwards with ease. Just move your feet to start gliding! Adjustable frame "grows" with kids (up to 150 lbs).

Game Night Fun!

Dodo
\$34.95; 6+
ThamesandKosmos.com

Can you save dodo's egg before it falls into the sea? Work together to find out. Innovative design makes egg movement unpredictable—you never know how much time you have!

Tumball
\$24.99; 5+
BlueOrangeGames.com

This exciting game of suspense is fun for all ages, making it perfect for family get-togethers! Carefully place beads one by one without making everything "tumball" down.

SIXEM Sour Patch Kids: A
Mischievous Dice Game
\$21.99; 13+
PlayHootenanny.com

Every round is different in this wild game that combines strategy, speed and a dash of mischief!

New Sprouts Farm to Table Fresh Market
\$29.99; 18 Months+
LearningResources.com

Kids can explore the ingredients for an imaginative feast with this 27-piece set's veggie crate, berry container, cutting board, two-piece eggs, and realistic food pieces.

Say Yes! Alphabet Bead Bracelet Set
\$14.99; 8+
MakeltRealPlay.com

Use over 1,000 assorted beads to create bracelets with fun and inspiring messages. Trade with friends to share the fun and spread positive messages.

Blue Marble Pan for Gold Activity Kit
\$19.99; 6+
ThinkBlueMarble.com

Pan for gold like a real prospector. Includes a reusable pan, tweezers, a storage container and specimen dish and a pipette. Plus, the paydirt in the kit is packed with real fool's gold specimens.

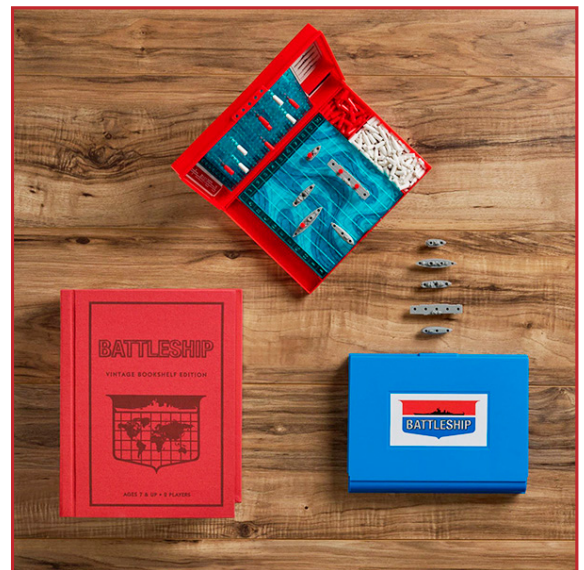

Nex Playground Active Play System
\$199.99; 5+
Shop.NexPlayground.com

Connects to your TV and turns screen time into active family playtime with five included games and an optional subscription with games like Fruit Ninja, Whack-a-Mole and Go Keeper.

Tokidos PlayCubes
\$149.99 for the system and 3 games; 3-8 years
Tokidos.com

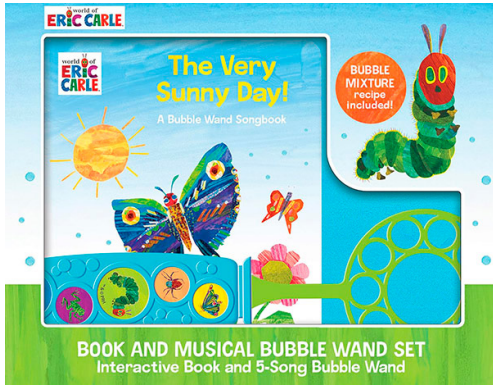

A powerful gaming platform designed to nurture screen-free curiosity and fun. Games include math, logic, music, trivia and interactive stories.

Battleship Vintage Bookshelf Edition
\$44; 7+
WSGameCompany.com

Inspired by the 1967 naval action game, this family favorite is packed in a stylish-linen wrapped book that is just as nice to display as it is to play.

The Very Sunny Day! Book and Musical Bubble Wand
\$17.99; 3+

Amazon.com

Press five buttons to play music while you blow bubbles. Matching words with pictures and sounds enhances reading comprehension, and connecting with favorite characters engages young readers at story time.

Red Lolly Yellow Lolly
\$25; 7+

BlueOrangeGames.com

Hold the color-changing lollipop while looking at the card-in-play...can you correctly say the flashing color with the name of the matching image, without twisting your tongue? With randomized colors, a new card flipped each turn, and your friends spinning the spinner for new directions, there will be no time to find your rhythm.

Mickey Mouse Ready To Race Garage
\$49.99; 3+

Target.com

Features lights, sounds, a working elevator, a spiral ramp, a mechanics' station and a car wash. Kids will fix cars on the working lift, send repaired cars down the spiral ramp and move the elevator up or down to activate lights, sounds, and phrases.

RoboRails: The Robot Monorail System
\$49.95; 8+

ThamesAndKosmos.com

This compact robot balances on a single wheel and glides along a monorail track thanks to its fast-moving internal gyroscope and monowheel. A clever design uses ball bearings as the weights of the gimbal, which is nearly frictionless as it spins.

Hydraulic Plane Launcher
\$29.99; 6+

Smartivity.com

Complete a DIY kit based on a STEAM concept to imbibe the right learning skills and teach kids the basics of hydraulics.

KEVA: Structures 200 Plank Set
\$59.95; 5+

Amazon.com

No glue or connectors require. Simply stack the precision-cut, solid pine KEVA planks to create buildings, monuments and geometric forms.

Wacky Race Set
\$59.99; 3+
BolderPlay.com

Go head-to-head and create wacky races with six different obstacles. Obstacles involve jumping, spinning, crawling, balancing balls and even pouring water from one helmet to another.

Dinosaur Gummy Candy Lab
\$19.95; 6+
ThamesAndKosmos.com

As you prepare these yummy treats, you'll investigate the chemistry related to candy making and explore fundamental STEM concepts such as measurements, conversions, temperature reading, phases of matter, the scientific properties of natural polymers and more.

AlphaPals Backpack Set
\$175; 3+
AlphaPals.com

The soft plush backpack has breakaway Velcro straps, front flap with snap closure that includes 26 individual mini rainbow plush letters hidden inside. Fully lined to help keep its structure, the backpack set goes with your child everywhere from your living room to the playground, school and beyond.

MindWare
Hocus Pocus
Magic Show Kit
\$49.95; 6+
Amazon.com

This complete magic kit is packed with over 25 props and step-by-step instructions to perform more than 20 magic tricks for kids.

Blue Marble Paint Your Own
Magnetic Tiles
\$11.99; 6+
ThinkBlueMarble.com

Allows kids to design ten unique works of art using vibrant, kid-safe paints as well as stickers and fun googly eyes. Each tile becomes a personal masterpiece that can be proudly displayed using the included magnets.

Mech Beasts
\$29.99; 6+
Smartivity.com

Build two Mechanical Wonders with easy step-by-step instructions. Control the Dragon's fierce jaws and fiery breath. Make the Flying Dino flap its webbed wings.

Unicorn Dreams Painting Kit
\$12.99; 5+
MudPuppy.com

Features a quirky assortment of unicorn magic friends ready to be painted however your little one chooses.

Glow-in-the-Dark Bouncy Ball Activity Kit
\$14.99; 6+
ThinkBlueMarble.com

Includes everything you need to create 45 glow-in-the-dark bouncy balls. There are five different mold shapes included, along with seven polymer powder colors allowing you to combine colors and create totally unique designs.

Glow STEAM Activity Sets
\$19.99; 6+
Amazon.com

Teaches young artists about the science of light through glow-in-the-dark art and craft activities plus magic black light exploration.

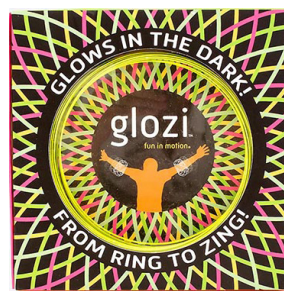

Spinballs Glow. O LED Rechargeable Poi Set
\$24.99; 6+
FunInMotionToys.com

This set of glow poi are attached to adjustable leashes and light up the entire spectrum of the rainbow. Spin them around in rhythmical and geometric patterns similar to Tai Chi to create a visual effect.

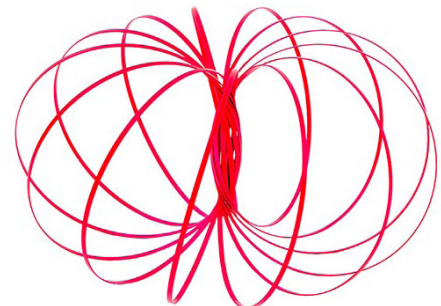

My Fun Set
\$79; 2+
SimplyFun.com

Prep little learners for preschool with three toddler-aged toys and tools that encourage hands-on, mess-free fun. My Fun Day is a colorful, wooden activity board that teaches the months of the year, days of the week, the four seasons and telling time. My Fun Buddy Book is a cuddly cloth book that inspires imagination and sensory development. My Fun Shapes is a set of 30 colorful wooden blocks that foster color and shape recognition while simultaneously supporting fine motor skill development.

Glozi Flow Ring
\$12.99; 6+
FunInMotionToys.com

Glozi is the glow-in-the-dark version of Mozi, offering the same continuous and effortless spinning motion. The real magic happens when the lights are off, and Glozi starts to glow, adding an extra element of mesmerizing fun.

Daniel Tiger's Neighborhood Bungalow Shape Sorter
\$19.99; 2+
Amazon.com

Comes with six colorful blocks for kids to sort using the bungalow roof. Each block features a neighborhood friend's face, a unique color and a special shape. It opens for a full diorama play space, clicks shut and has a carry handle for quick clean up.

Stanley Jr. Battery-Operated Chainsaw
\$29.99; 3+
Red-Toolbox.com

Your future lumberjacks will enjoy hours of backyard fun with this battery-operated power tool toy. With its realistic design and functionality, this Chain Saw offers an immersive experience without compromising safety.

Light-Ups Recolorable Snowman
\$9.99; 4+
Crayola.com

All-in-one toy, holiday decoration, and reusable coloring activity. Color directly on the included snowman. Give him some winter clothes, decorate his mittens, or choose whatever look suits him best that day. When he's ready for display, let him glow in orange, blue and green.

Connecto
\$19.99; 8+
UltraPro.com

Based on the concept of connect-the-dots, but in this game connect the dots and guess what you're drawing. The first player who guesses what they are drawing writes it down on their board and starts the countdown for the other players. Once the time is up, players win points if they guessed right.

Gabby's Dollhouse Party Room Playset
\$29.99; 3+
Amazon.com

This cat-tastically colorful playset features two characters including Gabby in her new skate party outfit and new character, Marty the Party Cat, balloons, a skating rink, that both figures can really skate on, and so much more.

LEGO Gravity Drop
\$29.99; 8+
Edelweiss.plus

Assemble a high-quality foot-and-a-half tall chipboard gravity drop tower full of LEGO contraptions. Build and rebuild activities that include a gravity labyrinth, zip-line starter, grabber claw and more. Physics is fun with this STEM kit that lets you roll, bounce, rebound, and rebuild with LEGO.

Scramboozle Puzzle Ball
\$9.99; 6+
Amazon.com

How fast can you solve this twisting, turning, rolling puzzle challenge? Give Scramboozle a shake, then twist and turn the top to carefully roll the marbles into place and match the mind-bending challenges.

Ravensburger Disney Encanto Puzzle
\$29.95; 12+
Amazon.com

Piece together Casita and dive into the magical world of Encanto with this jigsaw puzzle based on the popular film's iconic movie poster.

Hey Hey Relay
\$14.99; 6+
UltraPro.com

A fast and frenzied relay game where teams race one another across the game board, rolling character dice and performing silly tasks as quickly as they can. The first team to cross the finish line wins, so choose your favorite animal racer and get rolling.

Peekaboo Learning Barnyard Playset
\$34.99; 18 months+
Amazon.com

Kids learn counting, color, and fine motor skills through fun peekaboo play. When barnyard learning fun is done for the day, the toy folds up small for easy clean-up and storage, and the adorable peekaboo farm animals double as finger puppets for imaginative activities.

STEM Explorers Superhero Science Set
\$24.99; 6+
Amazon.com

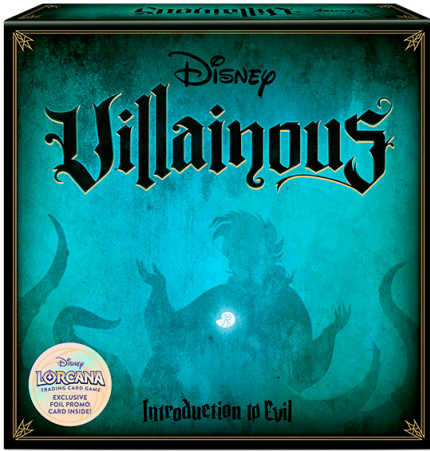

Kids learn the science behind magnetism, levitation, color mixing and other STEM feats with superhero-themed experiments. Each experiment unfolds in a full-color comic book-style guide, helping little scientists build essential STEM skills through age-appropriate projects.

ThinkFun Crash Cats
\$29.99; 8+
Amazon.com

Great for challenges or freeplay. The cats slide back and forth on the tray. The goal for the player is to have the hero cat win with the other two flying off the board. Tilt the board until only the hero cat remains.

Ravensburger Disney Villainous: Introduction to Evil
\$29.99; 10+
Amazon.com

Reintroduces some of the franchise's first Disney Villains, including Maleficent, Captain Hook, Ursula and Prince John, with streamlined gameplay and video resources designed to be welcoming for beginners.

Santa's Amazing Science Workshop
\$19.99; 8+
ThinkBlueMarble.com

Grow crystal-covered Christmas trees, explore the incredible properties of instant snow, make squishy snowflakes and a bouncy snowball, then experiment with hydrophobic sand.

Wow in the World: Everlasting Volcano
\$19.95; 4+

ThamesAndKosmos.com

Erupt your own volcano again and again. The volcano works with three types of eruptions: heat-activated color-changing slime "lava", soft foam "lava-rock" balls, and the classic vinegar-and-baking-soda reaction with ingredients from your kitchen cupboard.

Wow in the World: Sea Creatures Aquarium
14.95; 10+

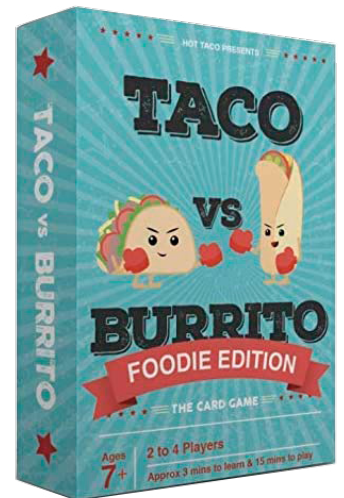

ThamesAndKosmos.com

Set up an aquarium for your own living sea creature pets. Prepare the salt water and then watch as small brine shrimp hatch from the included eggs, swim around, feed on the included food, and slowly grow larger.

Taco vs Burrito
\$19.99 ; 6+

Amazon.com

Sparks creativity and strategic thinking in players of all ages. Perfect for family game nights, quick to learn, and ideal for 2 to 4 players, making it the ultimate gift for any occasion.

Wicket Kick: Giant Kick Croquet
\$49.99; 3+

BolderPlay.com

Combines the fun of running and kicking a ball with the extra added attraction of guiding it through a course of wickets. You can make the course as hard or easy as you wish just by the way you space the six wickets.

Astro Bot for PlayStation 5
\$59.99; E 10+
PlayStation.com

When the PS5 mothership is attacked by ASTRO's long-standing galactic nemesis, scrambling its wires and scattering the crew throughout space, only ASTRO can make things right. Setting off on his biggest mission yet, he needs your help to rescue the stranded crew and rebuild the mothership.

Clixo Space Mission Pack
\$39.99; 6+
Target.com

A glow-in-the-dark flexible magnetic building set with all-terrain wheels, fire blasters and new custom pieces. Build motorcycles, space drones and more to explore the cosmos.

Lightning McQueen Glow Racer R/C Car
\$32.98; 8+
SamsClub.com

This RC car brings the beloved character to life in a whole new way. Get ready for an electrifying experience as Lightning McQueen lights up the road with captivating features.

Just Dance 2025
\$49.99; E 10+
Ubisoft.com

Get your friends and family together to let loose, to party, exercise, or create special family moments. Just Dance 2025 Edition has something for everyone with 40 hot new songs.

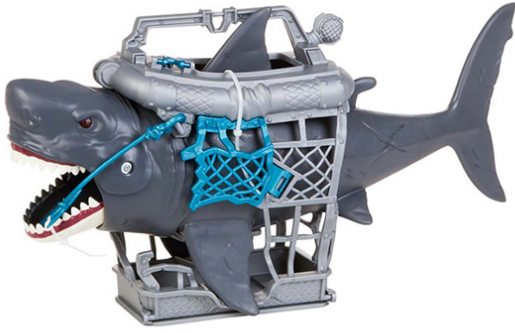

Ohuhu Alcohol Marker Gift Box Set
\$99.99; 12+
Ohuhu.com

A fabulous gift for serious art enthusiasts! Draw, sketch, illustrate, color and doodle with 72 dual-tip alcohol markers (in a zippered carrying case), an acid-free sketchbook, 8 fine-line pens, 16 coloring sheets and more.

Jurassic World Ravenous Raptors
\$14.88; 4+
Walmart.com

These hangry raptors need to be fed and it's your job to make sure each of them eats as many carnivores marked snacks as possible to win. Place the snack balls in the middle of the game and get ready to chomp, romp and roar your way to the highest score.

Wild Quest Cage Rage Motorized Chomping Shark
\$15; 3+
DollarGeneral.com

The killer shark is on the loose and out to take a chomp out of you. Will you be brave in the cage when you face the shark's rage?

Pickleball Blast
\$14.99; 6+
Amazon.com

Your little ones will love smashing the wiggly Pickle with their Pickleball Paddle. Aim for the opponent's Pickle Jars, but beware—the tricky Pickle Skewer can send the Pickle flying back their way. The first player to flip over two of the three Pickle Lids scores.

Storypod
\$99.99; 0-6+
Storypod.com

This audio system features brain-building music, stories, and stage-based learning content. Kids tap Storypod brand special content items on top of the Storypod speaker to activate screen-free audio experiences for all moments of the day and night.

Pudgy Penguins
Starting at \$12.99; All ages
Walmart.com

Each toy has an official, scannable, redeemable code that unlocks digital penguin customization using different trait boxes. You can obtain rare traits, have a unique Pudgy Penguin registered to your

name on Pudgy World, trade traits on the Pudgy World marketplace and play mini-games.

The Smurfs – Dreams
\$49.99;
Amazon.com

Gargamel has cast a devious spell on the sarsaparilla bushes, the Smurfs' favorite treat, plunging them

into a deep sleep. Embark on a dreamlike expedition where you must wake all the Smurfs before the diabolical Gargamel reaches the village.

Ravensburger Oh My Pigeons!
\$19.99; 8+
Amazon.com

In this ridiculous party game of fowl play, players fill their benches with adorable pigeon miniatures to prove you rule the roost. Use your cards to tempt pigeons with snacks, steal pigeons from your neighbors, or leave it up to fate when you roll – or flick – the die.

GigaPets
\$17.99; 5+
TopSecretToys.us

These adorable palm-size digital pets are not only a blast from the past but also a fantastic way for youngsters to learn about responsibility and caring for a pet.

Poe the AI Story Bear
\$49.99; 4+
Amazon.com

Poe magically comes to life to tell you amazing, full-length, one-of-a-kind tales of adventure and imagination. Every story is made up completely from scratch, with some help from you and kid-safe cutting edge A.I. technology.

Strawberry Shortcake Berry Bake Shoppe Playset
\$24.99; 4+
TheLoyalSubjects.com

Unleash your imagination with 32 delightful pieces, including an exclusive 5.5" Strawberry Shortcake Fashion Doll dressed in a charming baking outfit. Open up the play oven for a world of surprises and reveal the magic within.

The Ultimate Fart Blaster
\$24.99; 4+
Amazon.com

This blaster not only has over 15 fart sounds but it also shoots fog fart rings, has a chamber that lights up so you can see the gassy action and it smells. From the smallest "Squeaker" to the loud and alarming "Clear the Room!" fart sound, this toy is loaded for laughs.

National Geographic Motorized Marble Run
\$34.99; 8+
Amazon.com

Features a motorized lift that can carry your marbles up 16" and drop them onto the track. Create a perpetual motion machine that continuously takes your marbles back to the top to launch again.

Crayola Washable Paint Pendulum
\$19.99; 7+
Crayola.com

This art kit turns every swirl into a masterpiece, offering a gravity-powered canvas for endless colorful designs. Explore the wonders of physics as the pendulum's motion translates into mesmerizing patterns, fostering curiosity and a deeper understanding of basic STEAM principles.

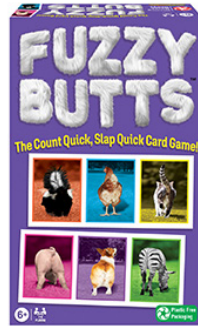

TickTalk 5
\$149.99; 8+
MyTickTalk.com

A standalone 4G smartwatch phone featuring 2-way voice calling, HD video calling, Talk-To-Text, customizable quick text responses and voice messages. Premium features including free music, podcasts and stories, activity tracking and a five-megapixel selfie camera.

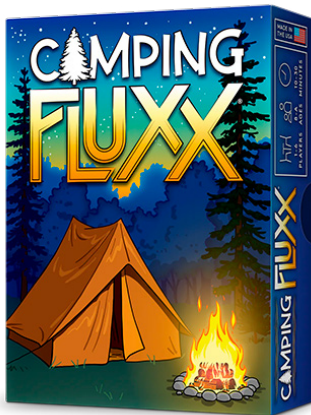

Fuzzy Butts
\$10.95; 6+
Winning-Moves.com

What do zebras, pigs, chickens, skunks, cats and dogs all have in common? FUZZY BUTTS! Try to earn the most points by quickly and correctly counting up specific animal butts or colors on cards.

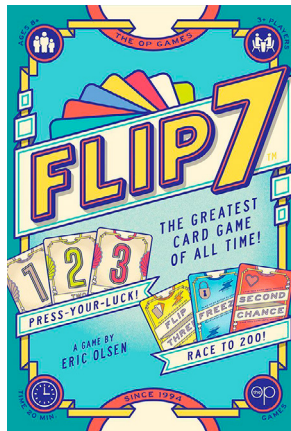

Night Knight
\$21.99; 7+
BlueOrangeGames.com

Will you throw a pillow to another player, defend yourself, sleep or take no action? Whoever is the quickest at figuring out the correct actions will emerge victorious from this hilarious pillow fight!

Camping Fluxx
\$20; 8+
LooneyLabs.com

Whether you bring this deck with you when you go camping or just imagine an outdoor adventure, this game is all about the joys of a great camping trip.

Flip 7
\$13.99; 8+
TheOP.games

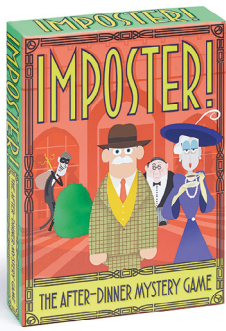

Flip over cards one by one without flipping the same number twice. With the amount of each numbered card in the deck matching the card value, the tension mounts as each round progresses.

Dissect-It Discover-It
Bigfoot Dig
\$14.99; 6+
TopSecretToys.us

Dig in, collect all of the bones, and learn about human anatomy by placing the bones on the identification mat, following along in the learning guide.

Claredon Games Imposter!
\$15.99; 8+
Amazon.com

Players use debate, bluff and logic to win points. Genuine guests will try to unmask imposters, while the imposters, risking revealing their true identities each time they do so, will try to smuggle the Earl's precious possessions out of the castle.

Enchanted Nutcracker Magnetic Play Set from Mudpuppy
\$17.99; 4+
MudPuppy.com

Three sheets of mix and match magnets included to design your best dressed holiday ballerina. With two illustrated ballerina characters, the exciting combinations of festive costumes and accessories are endless.

Sparkle Garden Holiday Deluxe Makeup Kit
\$49.99; 6+
KleeNaturals.com

Natural, non-toxic makeup and personal care products for our little ones. Includes eye shadow, blush, lip shimmers, roll-on natural fragrance, nail polish, glitter gel, powder brush and two eye shadow applicators.

Fingerlings Interactive Baby Axolotl (Alix) with Inflatable Pool
\$19.99; 5+
Target.com

The adorable, interactive axolotl swims and lights up in the water. Inflate the included pool, fill with water, and watch Alix swim! Out of water, place your axolotl in your hand to see its tail wag with lights and sounds.

L.U.V. Fashion Doll Collection
\$29.97 each; 6+
Walmart.com

Features four unique characters who inspire kids to embrace individuality through fashion. Each doll is a trendsetter with high-quality fabrics and detailed accessories, showcasing distinct styles and 15 points of articulation for added attention to detail. Each doll sold separately.

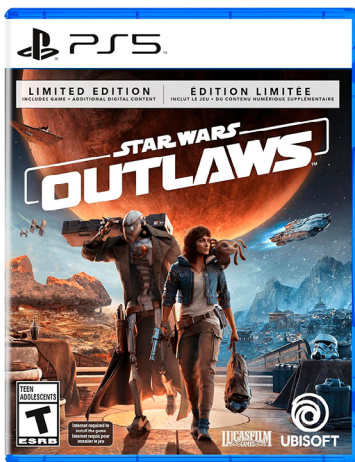

Wild Flowers
\$29.99; 8+
MooseToys.com

Players plant their path to victory by growing and claiming flowers on a shared garden board. Place beautiful botanical tiles to build flowers, aiming to complete secret garden cards with unique pattern goals.

Run Beaver Run
\$29.99; 5+
Amazon.com

An exciting game of luck, where little beavers race to reach the safety of their dam while dodging the rolling log. This travel-friendly game includes a fold-up gameboard case that holds all the pieces for easy on-the-go play.

Star Wars Outlaws
\$69.99; T for Teen
Amazon.com

Experience the first-ever open world Star Wars game and explore distinct locations across the galaxy, both iconic and new. Risk it all as scoundrel Kay Vess, seeking freedom and the means to start a new life. Fight, steal, and outwit your way through the galaxy's crime syndicates as you join the galaxy's most wanted.

Baby Paws Love & Care
\$28.95; 18m+
Amazon.com

An interactive puppy with lots of different features and interactions. It has more than 15 sounds and reactions overall. He has a super fluffy body and soft belly making him perfect for cuddles.
